### **Mission:**

We are Veterans helping Veterans to Recovery !

We know from our experience, that no one can help a veteran like another veteran !

6

- It is \$ 300 per month to live at the OVER House.
- All utilities are paid.
- Clients buy their own food and cooperate with others for food preparation and clean up.
- Rules and policies of OVER must be followed.
- Veterans may stay as long as they need to as long as rent is paid and they show a desire to stop drinking or using.
- If clients successfully complete the program and maintain sobriety, they will be OVER members !

VA cannot do it alone. Organizations and individuals across the country are integral to providing services and spreading the word about the resources the VA provides to end and prevent homelessness among veterans. - VA website on veteran homelessness.

OVER consists of veterans that want to help veterans. As long as we exist and there is a need, we will be here to help !
