

Central Service Office Needs YOUR Help

TO LINCOLN & SURROUNDING AREA COMMUNITY:

Contributions are down and irregular. It is difficult to plan and forecast the business of the Lincoln Central Service Office.

A large number of groups do not contribute to the Lincoln Central Service Office ever, nor do some of them buy anything from their local office.

At the same time, expenses to operate the Lincoln Central Service Office are going up. To continue the Answering Service, we need more contributions.

We are in the process of hiring a person to help and assist Marcella.

Our other expenses ARE LOW or we are working to lower them: Rent is \$385 including utilities. We are computerizing our inventory and accounting functions.

Lincoln Central Service Office needs your help -- AA community -- or we will have to start spending our reserves. If that happens, we could be out of money in two years and then may not exist anymore.
